Wholesale Discount: Greeting and holiday card sets are sold at a 50% discount, nonreturnable. All other items may be purchased at various discounts, depending on quantity purchased and requested return privileges. (Refer to the discount tables on the following pages for specific returns criteria.) These discounts are determined by quantities per order, not accumulated sales by account. Calendar reorders may qualify for repeat discount only if requested at time of order.

Payment Terms: Established accounts receive Net 30-Day terms (except 2020 calendar orders placed by April 30, 2019, which will receive Net 60-Day terms). The first order for new accounts must be prepaid by check, money order, or credit card. Sorry, we do not ship COD. Subsequent to the initial order, an account may establish Net 30-Day terms upon our receipt and review of a completed credit application form. To request a credit application form, please email accounting@amberlotus.com.

Finance Charges and Bank Fees: Accounts past due more than 30 days may be charged 1.5% interest per month (18% per annum). Checks returned for Non-sufficient Funds will be charged any fees we must pay to our bank (currently \$5.00) and an additional \$20.00 service charge at our discretion.

Shipping Charges: The customer is responsible for all shipping charges, including handling charges of \$1.50 per box. Domestic orders within the continental United States and Canada will ship via UPS Ground service. Orders to Hawaii and Alaska will ship by UPS Ground service (estimated transit time of 4–5 days) or Priority Mail. Other preferred shipping methods must be indicated when ordering. If you would like your order to be shipped freight-collect, please be sure to include your shipping account number.

Returns: Greeting cards and holiday card sets are sold exclusively nonreturnable. Other items may be returned, contingent upon Amber Lotus's return policies. (Please refer to the discount options on pages 4 and 6 for specific returns criteria.) If a customer does not select a discount/return option at the time the order is placed, the applicable nonreturnable discount will automatically be assigned. Return privileges will only be honored when the invoice is paid within set terms. The value of returns will be credited for future orders. No cash refunds will be paid.
